

23MK - Marine

Air handling unit for naval and offshore application

Official supplier

FINCANTIERI

MEKAR S.r.l. participates in the ECP programme for AHU. Check ongoing validity of certificate: www.eurovent-certification.com

Mekar is able to offer solutions for use in the marine and offshore sectors, both in terms of climate comfort and in terms of maintaining optimal operating conditions in technical or service rooms.

The products developed are always the result of an intense collaboration between the Company and the Customer, in order to be able to offer the most suitable solution to guarantee total functionality, durability and extreme reliability, in compliance with the most stringent health and safety regulations specified by the shipowner.

Mekar, as a company of the Aliseo Group, can take advantage of highly qualified transversal skills also in the field of refrigeration, allowing it to offer integrated turnkey solutions, efficiency and compactness, all characterized by an extreme degree of customization, both in terms of size, constructive and performance.
